PROFESSIONAL EXPERIENCE

Manager – Repayments & Collection Strategy

FPL Technologies (OneCard), Pune | June 2023 – Present

- Manage credit card receivables portfolio (DPD 30–150), driving collections, recovery, and delinquency control.
- Improved Collection Efficiency from 50% to 65% (+15%) within 6 months through targeted strategies.
- Reduced Net Slippages by 1.5%, strengthening portfolio quality and credit risk control.
- Lowered forward roll rates by 15%, minimizing delinquency escalation across buckets.
- Optimized collection cycles, cutting DSO by 12 days and improving cash flow.
- Performed roll rate and slippage analysis, using Python for data reconciliation and trend tracking.
- Monitored AR aging buckets, prioritizing high-risk accounts for recovery.
- Led MoM performance analysis on collections, slippages, and portfolio trends.
- Managed vendor agencies (field & tele-calling), improving productivity and compliance.
- Handled disputes, skip, and deceased accounts with proper system documentation and resolution tracking.

Retail Portfolio Management – Collections

HDFC Bank, Pune | Sep 2020 – June 2023

- Managed receivables portfolio, ensuring effective resolution, rollback, and normalization.
- Conducted aging, roll rate, and slippage analysis to monitor portfolio health.
- Improved collection efficiency through structured follow-ups and segmentation strategies.
- Ensured adherence to ACR targets across team and portfolio segments.
- Collaborated with internal teams on billing, reconciliation, and dispute resolution.
- Established vendor productivity benchmarks and conducted performance reviews.
- Monitored customer accounts for delays, discrepancies, and recovery opportunities.

Area Manager

Bandhan Bank, Indore | July 2019 – July 2020

- Managed micro-lending and SME portfolio, including credit appraisal, disbursement, and collections.
- Conducted financial analysis and supported credit decision-making.
- Generated MIS reports and managed branch-level operations and collections performance.
- Led team training on SOPs and ensured compliance with credit policies.

EDUCATION

2019 MBA (Finance), International Institute of Professional Studies, DAVV

2017 BBA (Finance/Marketing), Shri RGP Gujarati Professional Institute, DAVV

ANALYTICAL EXPERTISE

DSO	Days Sales Outstanding: $AR \div Credit\ Sales \times Days$
CEI	Collections Effectiveness Index: Collection efficiency vs collectible base
Slippage	Gross (fresh delinquency) and Net (post recovery impact)
Roll Rate	Movement across delinquency buckets
Aging	Overdue segmentation for prioritization
ACR	Account Collection Ratio: $Collections \div Portfolio$

TECHNICAL SKILLS

Software	MS Excel (Advanced: Pivot Tables, XLOOKUP, Power Query, Dashboards) MS PowerPoint MS Word
Analysis	Python (Financial Data Analysis) SQL (Querying & Reporting) Power BI (Basic) Financial Modelling (Basic)
Tools	MIS & Reporting Tools CRM Systems

ADDITIONAL INFORMATION

- Experience in high-volume AR and collections environments.
- Strong understanding of credit lifecycle, risk control, and working capital optimization.
- Proven ability to improve cash flow and reduce delinquency using data-driven, Python and Excel-supported methods.
